

Leo Harris Criteria

The Leo Harris award is presented annually to a Riding Club member who has given outstanding voluntary service to the movement over a period of years.

All nominees will have given many years of service to both their club and at area level. It is desirable (but not essential) that they will have volunteered at some of the BRC Championships.

Each nomination should include a candidate resume consisting of **at least 100 words** detailing the candidate's contributions on why they should be awarded this title and it is suggested the following format is used:

- Year service commenced
- Roles performed within the club/area
- Achievements
- How the individual has inspired others

Clubs should have their nomination endorsed by the club Chairman and then it should be forwarded to the Area Representative. Once approved the Area Rep will send it to the BRC office.

All Area Representatives will then be given the opportunity to cast a vote, the nomination with the most votes is awarded the Leo Harris Trophy which they are able to keep for a year. All unsuccessful candidates will receive the BRC Award of Merit Certificate.

The winner will receive their award at the BHS awards ceremony in November and will also be featured in Rider magazine.

The closing date for Head Office to receive any nominations is Friday 17 August 2018.

For further information, contact the BRC office on 02476 840518 or email megan.gibbs@bhs.org.uk
